

DURADIAMOND® DRONE CASE SMALL

The Drone Case Small is for Serious Travel, Adventure, and Outdoor Drone Pilots & Photographers

The DuraDiamond® Drone Case Small gives pilots, enthusiasts, and photographers an easy and safe way to carry drones and accessories. The DuraDiamond® fabric is weather resistant, and the padded interior dividers protect the drone. The interior dividers are adjustable, so users can configure the case for their specific drone kit. The case also features internal storage pockets and compartments to organize and protect accessories like batteries, extra blades, controllers, cables, and media cards. Fits most foldable wing drones similar in size to the DJI Mini 2.
