

TILOPA

DURADIAMOND®

The Perfect Pack for Serious Travel, Adventure, and Outdoor Photographers & Storytellers.

The 7th Generation Tilopa is our best-selling pack for a reason! The modular design allows you to adjust for every adventure from intensive day shoots, to a night in the backcountry, or a road trip in another country. With a 50-Liter capacity and all the features you can imagine, you can carry your gear organized, comfortably, and securely.

MATERIALS

- DuraDiamond™ 315D HT Nylon Diamond Ripstop with environmentally responsible C0 DWR & TPU
- 70D Nylon Ripstop Lining fabric with 500mm Polyurethane (PU) coating
- Contoured BLOOM™ EVA padded hip belt, super-duty dual density BLOOM™ EVA padded shoulder straps, and internal metal frame to carry heavy loads more comfortably
- Weatherproof heavy gauge zippers

TILOPA

DURADIAMOND®

The Tilopa is part of the f-stop Mountain Series, which provides a complete carry system with virtually endless configurations that provide your perfect solution. For more than 15 years, f-stop has been the leader in modular packs, bags and accessories for travel & adventure visual storytellers and photographers.

PRODUCT FEATURES

CONSTRUCTION

- Jersey laminated EVA-padded back panel with raised padding for ventilation and comfort control
- Padded and reinforced carry handle
- Extra tough Hypalon® reinforcement in key areas

ZIPPERS & FLY

- Welded TPU zippers for extra water resistance
- Hypalon® zipper garages help prevent water intrusion
- Glove friendly, quiet zipper pulls

LOADING & CLOSURE

- Camera gear is accessed via back panel
- Top opening provides access to pack interior or any “hatchbacked” Camera Bag Insert

INTEGRATED FEATURES

- Compatible with Rain Cover (included in bundles)
- Compatible with most f-stop Camera Bag Inserts
- Four mounting points to secure Camera Bag Insert

POCKET CONFIGURATION

- Organizer pockets in top lid for batteries, sunglasses, smart phones, etc.
- “Pack-It-In, Pack-It-Out” trash-stash pocket
- Front panel pocket has extra wide opening and drainage weepholes; ideal for jackets and extra layers
- Horizontal side pockets with internal mesh pockets for organization
- Backpanel interior organizer includes four memory card pockets with magnetic closure, laminated mesh welded zipper pocket, and padded magnetic pocket
- 16” padded laptop sleeve in back panel
- Side catch zipper pocket for tripod feet
- Internal 18” multi-function pocket

SUSPENSION & COMPRESSION

- Internal aluminium frame transfers weight from the shoulders to hips to carry heavy loads longer and more comfortably
- Removable side compression straps allow depth adjustment for airline carry-on travel and also function to secure tripods, ski-poles, skis, or any other items with similar shapes
- Sternum strap with integrated safety whistle
- Belt and shoulder fine-tune suspension straps provide superior comfort
- Ergonomic stabilizer straps, with dual hip belt pulls, provide maximum load control and comfort

PACK ATTACHMENTS

- The MOLLE attachment system is the international standard for military, police, and fire departments. These straps allow the attachment of f-stop accessories and third party add-ons
- Twenty-two (22) f-stop Gatekeeper mounting points for easy attachment of tripods, snowboards, and similar equipment
- Accepts chest mounting for Navin camera case via Gatekeeper system
- Hypalon® loops and reflective bungee cords for attachment of accessories. Ideal for ice axes and trekking poles
- Welded Hypalon® A-frame ski carry straps
- Two (2) D-ring attachment points serve as additional accessories connection points
- Connection loop for attachment of Rain Cover (included in bundles)

PACK HYDRATION

- Compatible with various hydration systems
- Internal nylon bladder pocket
- Hydration slot allows hydration hose to slide through with ease
- Stretch mesh sleeve keeps hydration hose in place
- Velcro loop holds hydration valve in place for easy access

M116 - TILOPA | 50L
