OVERVIEW

The new Tilopa remains the marquee all-rounder of the Mountain Series, now packing 50L of volume without a physical size difference from its predecessor. Built for the backcountry, the Tilopa is equipped with all the necessary attachment points and dedicated compartments to accommodate an assortment of avalanche gear, skis, and poles. A new Oxford-weave ripstop nylon and Advanta™ shell is reinforced with Hypalon in key areas to provide exceptional weather and abrasion protection. Whether it's a short hike in the woods or a multi-day trip in the mountains, the Tilopa gets the job done while providing exceptional comfort and versatility.
