The Ajna is part of the f-stop Mountain Series, which provides a complete carry system with virtually endless configurations to provide **your** perfect solution. For more than 15 years, f-stop has been the leader in modular packs, bags and accessories for serious travel & adventure visual storytellers and photographers.

PRODUCT FEATURES

CONSTRUCTION

- Jersey laminated EVA-padded back panel with raised padding for ventilation and comfort control
- Padded and reinforced carry handle
- Extra tough Hypalon® reinforcement in key areas

ZIPPERS & FLY

- Welded TPU Zippers for extra water resistance
- Hypalon® zipper garages help prevent water intrusion
- Glove friendly, quiet zipper pulls

LOADING & CLOSURE

- Camera gear is accessed via back panel
- Top opening provides access to pack interior or any “hatchbacked” Camera Bag Insert
- Max weight recommended for comfortable carry: 12Kg/27lbs

INTEGRATED FEATURES

- Compatible with Rain Cover (included in bundles)
- Compatible with most f-stop Camera Bag Inserts
- Four mounting points to secure Camera Bag Insert

POCKET CONFIGURATION

- Pocket in base of the pack, perfect for storing trash or other “tuck-away” items
- Organizer pockets in top lid for batteries, sunglasses, and smart phones, etc
- Front panel pocket has extra wide opening and mesh zipper pocket; ideal for jackets and extra layers. Drainage weephole
- Horizontal side pockets with internal mesh pockets for organization
- Back panel interior organizer includes three memory card pockets with magnetic closure and laminated mesh welded zipper pocket and padded magnetic pocket
- Deep, extra tough mesh pocket for tripod feet or water bottle
- Internal 16” multi-function pocket
- Dedicated ice-axe blade pocket

SUSPENSION & COMPRESSION

- Quick release side compression straps allow depth adjustment for airline carry-on travel and also function to secure tripods, ski-poles, skis, or any other items with similar shape
- Sternum strap with integrated safety whistle
- Belt and shoulder fine-tune suspension straps provide superior comfort
- Ergonomic stabilizer straps with dual hip belt pulls provide maximum load control and comfort

PACK ATTACHMENTS

- The MOLLE attachment system is the international standard for military, police, and fire departments; these straps allow the attachment of f-stop accessories and third party add-ons
- Four (4) color matching detachable, quick release, lockable Gatekeeper straps included
- Twenty-two (22) f-stop Gatekeeper mounting points for easy attachment of tripods, snowboards, and similar equipment
- Accepts chest mounting for Navin camera case via Gatekeeper system
- Hypalon® loops and reflective bungee cords for attachment of accessories. Ideal for ice axes, trekking poles, etc
- Two (2) D-ring attachment points serve as additional accessory connection points
- Connection loop for attachment of Rain Cover (included in bundles)

PACK HYDRATION

- Compatible with various hydration systems
- Internal nylon bladder pocket
- Hydration slot allows hydration hose to slide through with ease
- Stretch mesh sleeve keeps hydration hose in place
- Velcro loop holds hydration valve in place for easy access
