

BASECAMP *Basecamp 100 shown

The Basecamp is a classic shoulder bag design for any photographer looking for a straightforward, proven way to carry a small-to-medium camera kit. This easy to work out of bag promises easy access, maximum storage and reliable foul weather protection.

PRODUCT FEATURES

Easy Access

Zippered lid with optional quick-release closure offers wide-open access with as much security and speed as you choose.

Impact Protection

High-density cross-linked foam walls and customizable dividers with brushed, non-scratching polyester lining.

Weather Protection

PU-Coated 330D Nylon body, rugged Hypalon® base, generous rain flap and included, stowable rain cover help keep your gear dry.

Clean Organization

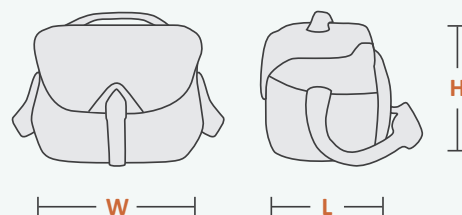

Customizable dividers, zippered internal mesh pocket, covered media pocket with smart phone and accessory sleeves, elastic-trimmed side pockets and rear document pocket keep you organized.

Comfortable Carry

Padded shoulder strap and back panel handle the load, while a reinforced, padded top handle is great for quick grabs.
