

DROPLoader

The Droploader series provides fast and easy drop-in access for DSLR's mounted with a range of small and medium lenses. Compatible with the included shoulder strap, they also work with any belt as a favorite option of shooters who need their hands free, and only a single lens for the task at-hand. *Droploader 20 shown

PRODUCT FEATURES

Top Entry

Convenient zippered access with flip-away top, offering direct and easy access at a moment's notice.

Impact Protection

Padded camera area with high-density cross-linked foam walls and nylon lining.

Weather Protection

PU-Coated 330D Nylon body, rugged Hypalon® base included, stowable rain cover helps keep your gear dry.

Versatile

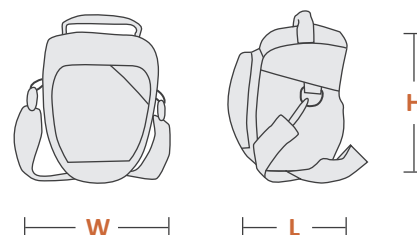

Works with shoulder strap or belt to fit your hands-free needs and accepts GateKeeper straps for added option of lashing to bigger packs and more.

Simple Storage

Single large camera compartment with internal pocket and zippered front compartment with pockets for lens cap, smart phone or small documents.
