

## DROPLoader

The Droploder series provides fast and easy drop-in access for DSLR's mounted with a range of small and medium lenses. Compatible with the included shoulder strap, they also work with any belt as a favorite option of shooters who need their hands free, and only a single lens for the task at-hand. \*Droploder 20 shown

### PRODUCT FEATURES

#### Top Entry

Convenient zippered access with flip-away top, offering direct and easy access at a moment's notice.

#### Impact Protection

Padded camera area with high-density cross-linked foam walls and nylon lining.

#### Weather Protection

PU-Coated 330D Nylon body, rugged Hypalon® base included, stowable rain cover helps keep your gear dry.

#### Versatile

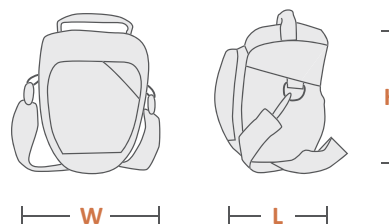

Works with shoulder strap or belt to fit your hands-free needs and accepts GateKeeper straps for added option of lashing to bigger packs and more.

#### Simple Storage

Single large camera compartment with internal pocket and zippered front compartment with pockets for lens cap, smart phone or small documents.
