

MOBILE SLING

Our new Manhattan Sling showcases a straightforward and fast approach to camera gear transport and access. Simply slide the bag in front of you and your gear is ready to capture the action. A padded tablet sleeve on one side fits up to an 11-inch MacBook Air; while additional pockets on the other side carry memory cards, batteries, wallets and more.

PRODUCT FEATURES

Easy Access

Sling-style bag offers full and fast access to your gear through and easy-pull, dual-track zipper; side-release buckles adds security.

Impact Protection

High-density cross-linked foam walls and customizable dividers with brushed, non-scratching polyester lining.

Weather Protection

Rugged, PU-Coated 330D Nylon body helps keep your gear dry.

Clean Organization

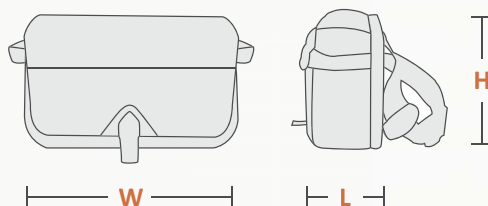

Customizable dividers, multiple zippered external pockets, daisy chain gear loops, and numerous interior pockets on lid maintains organization.

Comfortable Carry

EVA-Padded shoulder strap with air mesh for added ventilation and comfort.
