Fast. Agile. Urban. Anywhere on Earth, the Ando takes your gear there safely.

The Ando is the latest all-in-one answer for grabbing some key gear and rolling fast. It's an ideal supplement for those smaller assignments on the road, where a full pack is overkill, but you still need to venture off the beaten path to get the shot. It delivers the same rugged reliability and protection as all of the Mountain Series bags, in a light and easily carried form. With fast access and a surprising amount of storage, it also has the agility to crossover into an urban scene anywhere on earth. *Ando 13 shown

PRODUCT NOTES

- Hypalon® base and top panel provide impenetrable water protection in key areas
- DWR-treated, 330D Double Ripstop Nylon with 1500mm Polyurethane coating offers excellent splash protection
- Front pocket with accessory sleeve for organized packing
- Zippered top allows fast access to camera gear
- Side stash pockets for various accessories.
- Lid can be tethered with quick-release buckle for added security and workspace.

- Padded internal laptop sleeve on Ando 13; padded external laptop sleeve on Ando 188)
- Customizable padded camera compartment.
- Four (4) GateKeeper mounting points for fastening the Ando tightly to a user's body; allows fast movement without the bag swinging around and causing fatigue; GateKeepers sold separately
- Thermo-molded ergonomic back panel with logo detail
- Heavy duty shoulder strap with air-mesh design
