f-stop

Fast access and adaptable capacity set a new performance standard in a mid-size photo day pack.

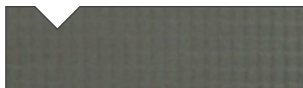

The Kenti brings the f-stop philosophy of adaptability to a new breed of pack design. It features the versatility of an expandable, roll-down top compartment and zippered access on either side of the pack for quick, over-the-shoulder camera access; ideal for shooting mid-couloir, or just playing it stealth in an urban scene.

Uses

Construction

- Jersey laminate EVA-padded back panel with raised padding for ventilation and comfort control
- Reinforced webbing grab / carry handle

Zippers & Fly

- Reversed YKK® Zippers for extra water and weather resistance
- Hypalon® zipper garages help prevent water penetration
- YKK® glove-friendly zipper pulls

Loading & Closure

- Zippered access to customizable camera compartment via suicide doors from either side; accepts Pro-sized bodies
- Roll-top main access

Integrated Features

- Compatible with optional f-stop seam-taped rain cover
- Not compatible with f-stop ICUs; the Kenti has its own integrated equipment organization
- Internal 13" non-padded laptop sleeve

Pocket Configuration

- Drainage weep hole on the bottom of back panel pocket
- Rain Cover pocket in base of the pack
- Front panel organizer pocket features battery sleeves, zippered pockets, bike pump sleeve and key ring
- Soft-lined pocket ideal for cell phone or sunglasses
- Padded laptop sleeve fits up to a 13" laptop
- Padded back panel pocket for tablet or hydration reservoir

Suspension & Compression

- Quick-release side compression straps function to secure tripods, and other equipment
- Roll top main access allows volume to be adjusted
- Sternum strap with integrated whistle for emergencies
- EVA-padded shoulder straps and full-sized hip belt provide maximum control and comfort

Pack Attachments

- The MOLLE attachment system is the international standard for military, police, and fire departments; these straps allow the attachment of f-stop accessories and other third party add-ons
- Four (4) f-stop GateKeeper mounting points for easy attachment of tripods, snowboards, and similar equipment; GateKeepers sold separately
- Outer strap attachments are spaced to prevent the buckle from resting on skis or other flat gear
- Stretch mesh sleeve keeps hydration hose in place
- Two (2) D-Ring attachment points for additional accessories
- Connection loop for attachment of Rain Cover
- Velcro® loop holds hydration valve in place for easy access

Pack Hydration

- Compatible with various hydration systems
- Internal Nylon bladder pocket
- Hydration slot allows hydration hose to slide through with ease
- Stretch mesh sleeve keeps hydration hose in place
- Velcro® loop holds hydration valve in place for easy access

The Kenti is part of the Mountain Series of products, which provides a complete carry system with virtually endless configurations to provide the perfect solution for your need - whether you are trekking through the jungle, down the mountain, or just getting on a plane to go on holiday.

FRONT
