

TILOPA BC [BACK COUNTRY]

f-stop

The flexibility to go from day shoots to overnights, with added burl to handle whatever you can.

The Tilopa BC has the features and space to bridge the performance gap between a gear-intensive day shoot and a night in the backcountry. A 48-liter capacity and all the features to handle the tools of any sport make this our marquis all-'rounder. Extra reinforcements add the burl needed to handle the frequent duty expected from a pack this useful.

PRODUCT FEATURES

Uses

Construction

- Jersey laminate EVA-padded back panel with raised padding for ventilation and comfort control
- Reinforced webbing grab / carry handle
- Extra-tough Hypalon reinforcement in key areas

Zippers & Fly

- YKK® Aquaguard® zippers for extra water and weather resistance
- Hypalon® zipper garages help prevent water penetration
- YKK® glove-friendly zipper pulls
- YKK heavy gauge zippers

Loading & Closure

- Camera gear is accessed via back panel and YKK® heavy gauge zipper
- Top opening with protective zipper flap for main internal compartment uses YKK® heavy gauge zippers

Integrated Features

- Compatible with optional f-stop seam-taped rain cover
- Compatible with all f-stop ICUs
- Four internal ICU mounting points
- Internal 18" padded laptop sleeve

Pocket Configuration

- Drainage weep holes on side and front shovel pockets
- Rain Cover pocket in base of the pack
- Organizer pockets in top lid for batteries and smart phones
- "Pack-It-In, Pack-It-Out" trash-stash pocket
- Front panel pocket has two easy access pockets: across-the-top and down-the-side—ideal for jackets, extra layers and ski skins
- Clear urethane coated mesh accessory pocket with anti-scratch zipper garage
- Two Compact Flash Card pockets with sealed closure on inside back panel
- Side catch sleeve for tripod feet
- Internal 18" padded laptop sleeve

Suspension & Compression

- Quick-release side compression straps allow depth adjustment for airline carry-on travel and also function to secure tripods, ski-poles, skis, or any other items with similar shape
- Sternum strap with integrated whistle for emergencies
- Belt and shoulder fine-tune suspension straps provide superior performance
- Ergonomically-friendly stabilizer straps with dual hip belt pulls provide maximum load control and comfort

Pack Attachments

- The MOLLE attachment system is the international standard for military, police, and fire departments; these straps allow the attachment of f-stop accessories and other third party add-ons
- Ten (10) f-stop GateKeeper mounting points for easy attachment of tripods, snowboards, and similar equipment; GateKeepers sold separately
- Accepts chest mounting for Navin camera case via GateKeeper system
- Hypalon® loops and bungee cords for attachment of accessories, ideal for ice axes and trekking poles
- Hypalon® A-frame ski carry straps
- Quick-release front compression straps are Hypalon® reinforced and ideal for carrying equipment such as snowboards or tripods
- Two (2) D-Ring attachment points for additional accessories
- Connection loop for attachment of Rain Cover

Pack Hydration

- Compatible with various hydration systems
- Internal Nylon bladder pocket
- Hydration slot allows hydration hose to slide through with ease
- Stretch mesh sleeve keeps hydration hose in place
- Velcro® loop holds hydration valve in place for easy access

The Tilopa BC is part of the Mountain Series of products, which provides a complete carry system with virtually endless configurations to provide the perfect solution for your need - whether you are trekking through the jungle, down the mountain, or just getting on a plane to go on holiday.
